Gift Ideas

Giving a personal and meaningful gift can be a difficult task, especially for the person who has everything. Here are a few ideas to get you started:

- A shoulder wrap for your niece at her graduation party?
- A hand-made personalized baby blanket?
- A doll made especially for the little princess in your life? An exquisite doll, standing two feet tall, with painstaking dress and details for the woman who has everything? This would be a centerpiece in any room.

- Want to give the bride and groom something useful and personal? Buy a set of their towels or linens and we'll embroider them for you.

Chances are if you have something in mind, we can make it for you.

Home Decor & Accessories

Personal, unique, luxurious, indulgent, comfortable, warm... How do you like your home to feel? Monarch Moments caters to your every wish with hand-made original pieces made according to your specific request.

Quilts and Wall Art

Quilts are beautiful expressions of art and tangible mementos for special memories. Monarch Moments has done it all from one-of-a-kind quilts made of sentimental military uniforms to photograph, wedding, marriage, and baby quilts.

Custom wall hangings can also be created. The panels shown are made using various fabrics and embellishments to create a vibrant story for the over-sized custom display.

Beautiful Baby

The birth of a child gives us new hope and reminds us that every person is unique. Whether you know someone with a newborn or have a new bundle of joy in your own home, this is the perfect opportunity to have a meaningful item created for this one-of-a-kind baby.

Wedding Memories

Elegant. Breathtaking. Perfect.

We understand how much time and heart are poured into the details of one spectacular day. That's why Monarch Moments strives to create memorable and exquisite pieces that reflect the distinct personalities of the bride and groom.

Whether it is an embroidered handkerchief or a one-of-a-kind table runner, Monarch Moments would like to be a part of your dream come true. We would be honored to be a part of your new beginning.
